Games are on as scheduled until you are contacted, please do not assume; sometimes closings can be mistakenly reported on the news.

We have been experiencing increased problems with young and preschool children attending league programs. If players bring children with them they are responsible for their supervision. They must remain in the gym at all times in their teams sitting areas. We have received numerous complaints from custodians and other teams regarding unsupervised children disrupting the school activities in progress. It also created an extremely dangerous situation- this is an adult league program
