A Monument to Honor All marines & FMF Corpsmen

The Conrad Kania Detachment of the Marine Corps League has created a Monument honoring ALL Marines and Navy FMF Corpsman (who have trained and served with Marine FMF units) past or present.

The Monument is located on the banks of the "Mighty Niagara" River in North Tonawanda, NY. This is a living, on-going project open to ALL Marines and Navy FMF Corpsmen who have honorably served our country for a minimum of 90 days on active duty.

This project is financed by donations of \$50 for each 1 1/2" X 3" plate honoring a Marine / Navy FMF Corpsman. Plates placed on the Monument wall include the Marine's / Navy FMF Corpsman name, rank and dates of service (i.e.: 1966-70). Larger plaques noting contributions of \$250 or more from interested parties will be placed at the base of the wall. Call (716) 694-4463 for more information.

Become part of this project and assure your part in history. Honor yourself or the Marine in your life. Fill out and send the attached form with your contribution to:
